Disciplinary Violations and Punishment

1. Category I Offense (Major)

- A. Assault or attempted assault (i.e., sexual, physical, etc) on inmate or Officer.

My name is Jerome D Johnson, inmate number 257256.

The nature of this letter is to call upon the assistance of all patriot Americans, who cherish this great country for what it stands for.

The murder of Jesse Williams only brought little attention to the on going brutal injustice here at Harrison County Jail Sheriff Department. Inmates are finding themselves Charge with new charges from inside the jail and are assume guilty without any proper investigation conduct by the sheriff Department.

On the 1st day of September 2006, the sheriff Department 7 raided C-Block D-Section on a rape allegation that stem from the claim of an male inmate. During this early morning raid I was obtained from the dayroom area, without no explanation as of why I was to be apprehended. And carry off to booking by a Captain Steve Campbell, where I was thos place in a booking cell for about a hour and a half.

I was later to be transfer to disciplinary housing by officer Barley, he was uninformative of the reason why when I inquired.

~~On the 4th day of September 2006,~~ ^{three} ~~days~~ later, Sergeant Lege, advised all inmates that was place in disciplinary housing from C-Block-D Section raid was there because of a Rule Violation of tampering with Security devices, with the exception of myself. Sergeant Lege informed me I was there because of the finding of contraband items, (ink pen, shaving razor) no one receive a written notification of their Rule Violation. The following day Tuesday 5th of September 2006, Investigator Carolyn Pinderghost of Harrison County Jail Sheriff Department recail me my rights and told me I was to be charge with a sexual Battery charge on inmate Eugene Lassie that had occur on August 31 2006. I explain to the investigator that I was asleep in my room and was not aware that this incident had happen. About 30 minute later

Inmate Michael Blackman and myself were taken off to a local hospital by officer Stevenson and officer Martin, where Investigator Carolyn Pendergast served us a seizure warrant for our DNA sample. Wednesday 6, of ~~September~~ September 2006, we were arraigned with the charge of sexual battery, during this arraignment I inform the Honorable Judge Ray that my civil rights are being infringe upon. Judge Ray asks the investigator was I being denied the right to make a phone call, Mrs. Carolyn Pendergast, stated that it was out of her hands and was up to the jail to allow me the right. The judge turn to ask the Captain who was present at the arraignment also, why was I being denied by the jail the privilege to use the phone. Captain Gaston, stated that the warden took this privilege because I was in disciplinary housing.

On the 7th day of September 2006, Captain Gaston came to disciplinary housing unit, he inquired about ~~the~~ tattoos on my back arms and about five minutes later I was escorted back to booking where waiting investigator Carolyn Pendergast with camera in hand ask to take pictures of them. I asked Mrs. Pendergast would she like to take the ones on my chest also, she stated "no" and that inmate Eugene Lassie identified me by the tattoos on my back arm and from a picture line up.

Sunday 10, of September 2006, Sergeant Lenor and Sergeant Eusberry made their round of talking to us ten inmates from September 1st raid. Sergeant Lenor and Sergeant Eusberry spoke with me in a empty cell, Sergeant Lenor, found it bewildering that inmate Eugene Lassie did not have any physical harm done to him and that he really did not believe that a rape had occur, but that he had a job to perform by taking the inmate's statement. He said when the inmate picked me out of the line up of inmates pictures, he asked inmate Eugene Lassie are you sure that thats the guy. if you are lying charges will be brought against you by the Harrison County Sheriff Department, Inmate Eugene Lassie indicated that he was sure it was me.

Ms.

On the 20th of September 2006, represented by a local Solicitor name Kay L. Wikerson I had a preliminary hearing here at Harrison County Sheriff Department. Investigator

D

Caryl n Pendergast left the hearing before I was to be heard by the Judge.

The investigator give the case file to a fellow investigator at the last moment and never return to the preliminary hearing. I informed Ms. Kay L Wikerson that

I would like to subpoena witnesses that are involved with the case to this hearing.

Ms. Wikerson made known my request to the Judge, He stated that I was to have a hearing

that day or ~~the~~ ^{not have} one at all. After the preliminary hearing for sexual Battery, 20th day of September 2006, the disciplinary officer informed me that we were to be release from

disciplinary unit. Later on that day I returned back to C-Block, D-section, where

I had remained until the 13th day of February 2007. I was then upgraded as a

sex offender and place into a different housing unit. I have written numerous requests

and grievances to the staff here at Harrison County Sheriff Department since being

released from disciplinary housing and still have not receive a written response.

It is the injustice carry out by those who vow to a oath to up hold the law, that

should be consider a hideous crime committed upon a democratic nation.

This misappropriation of justice tears the stars and stripes from the American flag.

I will continue my plight of justice until the voice of the under privilege is heard,

let freedom ring. Do not allow such selfish interests to kill the hope of justice.

Inmate Grievance Form

To: Grievance Officer

From: Jerome D. Johnson 287256 B-A
Inmate Name Docket # Unit

Date: 20th February 2007

This is a grievance concerning: Denial of Due Process: Refusal of response to requests.

I have written numerous requests concerning this charge of Sexual

Battery on a Inmate, that I received on the 6th day of September 2006.

This incident occurred here at Harrison County Jail on the 1st of September,

this is my fourth grievance on the matter. On the 15th of February

I gave Sergeant Kelly requests and grievances to turn in, this is a

serious allegation that should not be taking lightly. Why am I giving the

run around by this administration on this charge? I want to know

Why, was I told by sergeant Lege on the 4th day September, 2006, that

the reason I was place in segregation having was due to the finding

of contraband items, but to never to receive a Written Rule Violation

on these items? they following day 5th of September I was rush

off to a local hospital where I was force to render over my D.N.A.

The investigator for Harrison County Sheriff Department had obtain a Warrant

of seizure for my D.N.A Sample prior. Does this disqualify the Shift

Supervisor to submit a category I offense Rule Violation to me?

I was release from disciplinary segregation on the 20th of September 2006,

20 days later without a disciplinary hearing and return back to my original

Unit C-D as if nothing happen. please explain? Have the Inmate Disciplinary

Rules and procedures change?

Your Sexual Assault charge has been turned over to Criminal Investigation Department. You will need to contact your attorney or CID about your case. In any criminal case that happens within this facility you may be locked down pending further investigation and in your case you were. Second Step

On 26th of February 2007 (date), I received a written response to my First Step request. I am not satisfied with this response because:
of the questions I inquiry about have not been properly answer.
If this matter has been taking seriously and carefully examine, I
would not be making a complaint about the injustice I absorbed from this
administration. Why would an individual of a criminal charge refuse
process of the law? Have the Inmate Disciplinary Rules and Procedures Change?

Therefore, I am commencing the Second Step by sending this form and the First Step response (IGF-2), to the Warden. My request must reach the Warden's office within 5 days of my receiving the First Step response.

Sir, patience and understanding is a quality, I tried my best to express while dealing with this allege allegation of sexual battery charge. I believe that I put too much confidence into this administration, entrusting that officers would do their job to the best of their ability. Had Sergeant Lenoir relay his full investigation finding concerning this incident to your office before making forward with legal proceeding I would not be on B-Block nor would I have to write you in this manner. I have been inform by an officer to have faith in you, Dr. Robinson and that there would be some change of events transpiring under your new leadership. My innocence is known among staffs and inmates alike, I have tried to get in contact with investigator Carolyn Pendergast numerous times but she -

I do not understand why this injustice is being hand to me. This guy just straight lied and me and my family must suffer. please tell me why?? For I have no wrong doing in this matter period !!
